Size	1000 x 1000 mm Thickness: 15 mm

#### Colours

BLACK

Applications	Educational Institutions, Sports Facilities.
--------------	--

Installation note	Ensure the surface is clean and free of debris prior to laying the tiles to eliminate dust getting in between the joins of each tile. The Gym Tiles simply butt up to each other but are best laid in a brick pattern to achieve the best result.
-------------------	---

- Note - We DO NOT recommend using adhesives on this product because:
1. Some adhesive products can have an adverse effect on the Gym Tile
  2. If a tile gets damaged it can be easily replaced
