Dry & Wet Area Mat

Industrial Mats

This quality, rubber industrial mat can be used for kitchen areas, garages, sheds and wet areas. The large drain holes and budget price of this industrial black mat provides a safe area at home or work air pocket layer so it is comfortable to walk on.

Keep staff happy and wet areas safer all while keeping within a budget. Pubs, clubs and bars are a great place to use these mats. The home laundry and workshop will also benefit from this industrial mat.

- Durable natural rubber mat with large drain holes.
- Provides safe environment in moderately wet areas.
- Budget priced, the mat is ideal for behind pub and club bars.
- May also be used in wet or wash areas to help prevent slipping accidents
