## PRODUCT DATA SHEET

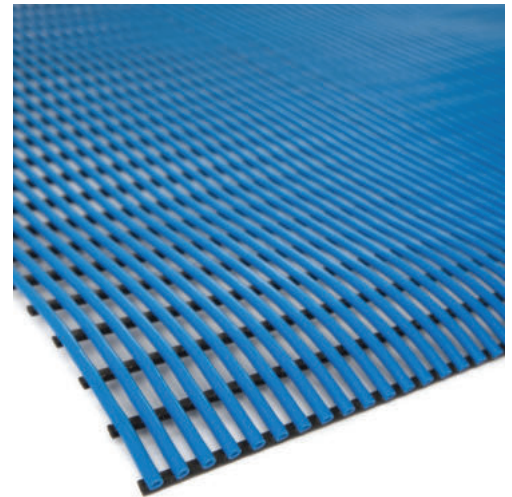

### Specialized Mat Tube Matting

Tube Matting is designed and manufactured from nontoxic food grade PVC tubes and provides excellent comfort and support underfoot. Tube Mat makes many workplaces and recreation environments safer, more comfortable and can help increase productivity by reducing fatigue. Tube matting for boats is a great way to use our Tube Matting 195.

Available in two standard widths and lengths. Tube Mat is both flame and chemical resistant and can be installed in minutes even on uneven floors

Constructed in grid formation, Tube Mat is extremely versatile, lightweight easy to roll up and clean, can easily be cut to size or shape and is 100% recyclable.

- Lightweight, grid format, tubular PVC construction.
- Easy to roll up or clean.
- Can be simply cut to any size or shape
