Installation note

Ensure the recess is clean and free of debris. Cut the mat to the size of the recess using a trimming knife, such as a Stanley knife (or similar). Use Sikabond 105 Contact Fix and spread evenly over both surfaces either by sprayer or trowel. Place the mat on top of the adhesive and use a vinyl roller (or similar) to apply even pressure over the surface of the mat. Ensure the mat is trimmed correctly to the area to prevent tripping hazards.
