PRODUCT DATA SHEET

High Traffic

Entrymaster® Premier Roll Goods

Entrymaster® Premier Roll Goods features a 36 ounce Heavy Duty multi-denier polypropyleneyarn system. This is the heaviest fibre available in its field.

It is manufactured with a rubber-reinforced profile aimed to prevent crushing of its unique dirt entrapment system, even in the highest traffic areas.

This ultimate Heavy Duty Entrance Matting will keep giving long life and effective feet cleaning. Stop all kinds of dirt and moisture at the door for time to come.

- Ideal for indoor and outdoor high traffic entrance areas.
- Re-inforced chevron pattern provides mega scraping action.
- Heavy duty polypropylene fibres that outlast any other.
- Designed for placing in recesses and large inlay areas.
- Smooth rubber backing: Ideal for hard surfaces.
- Available with heavy duty ramped edging for loose lay applications.

Flammability	CHF 1.1, Smoke Value 1225

Colours

BLACK
SMOKE

Applications

Educational Institutions, Office Areas, Restaurants/Eating Establishments, Shopping Centres, Sports Facilities.

Installation note

Ensure the recess is clean and free of debris. Cut the mat to the size of the recess using a trimming knife, such as a Stanley knife (or similar). Use Sikabond 105 Contact Fix and spread evenly over both surfaces either by sprayer or trowel. Place the mat on top of the adhesive and use a vinyl roller (or similar) to apply even pressure over the surface of the mat. Ensure the mat is trimmed correctly to the area to prevent tripping hazards.
