PRODUCT DATA SHEET

Low Traffic

Polyrib

- Popular ribbed construction traps dirt and moisture in recessed channels below shoe level.
- Durable polypropylene needlepunch fibres.
- Slip resistant vinyl backing with 25mm borders.
- Stain and fade resistant.
- Easy to clean.

Code	Size & Thickness	Installation Note
5006090	600 x 900 mm	Most commonly loose lay – can be installed in a recess though Ensure the recess is clean and free of debris Cut the mat to the size of the recess using a trimming knife, such as a Stanley knife (or similar). Use Sikabond 105 Contact Fix and spread evenly over both surfaces either by sprayer or trowel. Place the mat on top of the adhesive and use a vinyl roller (or similar) to apply even pressure over the surface of the mat. Ensure the mat is trimmed correctly to the area to prevent tripping hazards
