PRODUCT DATA SHEET

High Traffic

Duratred® Elite

Duratred® Elite is a premium quality aluminium/carpet strip mat with nylon pile inserts in a low 14mm design. The plush nylon pile of the insert provides optimum moisture removal in all conditions.

Designed for indoor use, Duratred® Elite will not only be practical in soaking up moisture and removing dirt, but adds a professional finish to your entrance.

- Passes all flammability standards.
- Cushioning feet fitted to isolate metal to metal and metal to concrete contact, effectively eliminating noise from foot traffic.
- Quality components ensure longevity in appearance and performance in even the highest traffic areas.
