PRODUCT DATA SHEET

High Traffic

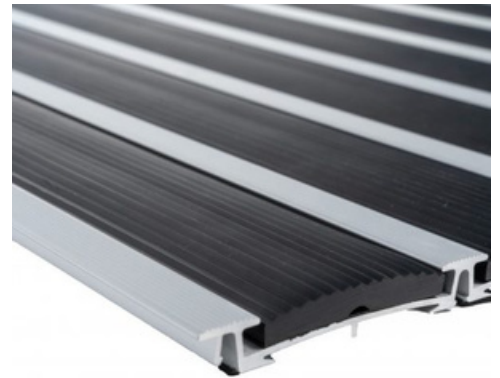

Duratred® Ribbed

Duratred® Ribbed is for heavy traffic areas and areas exposed to the weather.

The ribbed insert set between the extruded aluminium ensures maximum durability and gives a classy architectural look.

This robust matting system not only lasts in exposed weather but also high traffic conditions.

- Long life durability
- High dirt removing capacity
- Ideal for high traffic areas
- Suitable for indoor and outdoor use
- Classy architectural appearance
- Provides great anti-slip surface
- Global Green Tag certified - Green Rate Level C
