High Traffic

Duratred® Scraper

Duratred® Scraper is the ideal outdoor entrance matting with a 14.0mm profile that is ideal for shallow recesses.

The heavy duty polymer insert is unique as it absorbs moisture as well as great dirt removal, while being treated with an anti-microbial treatment which prevents mould or fibre rotting.

- Excellent dirt removal properties.
- Ideal as the first external mat to high traffic areas
- Extremely durable
- Passes flammability standards
- Provides anti-slip surface
